Online giving at First United Methodist Church has never been easier! Simply go to our website and click the “Online Giving” button. You may create an account/log-in as a member or give as a guest. **To create an account/log-in as a member, the church office must have your current email address on file.** Once you have accessed the giving screen, add the amount you wish to give, select the fund or multiple funds (*pledges support operations*), write a memo if needed (ex: for honorariums/memorials), choose whether to give once or set up recurring gifts, the date you would like the gift to process, and click continue. You will be asked to enter your payment method (credit/debit or bank account). You’re all done!
